404Sight Download Compressed File. 404Sight Download Compressed File. If the image above does not appear, simply right-click on it (or your mouse) and select "Save image as" from the menu. Finally, click on the Link button. This will take you to the official product page. Click the download link and save the file to your computer. Set Up - Start Up - Shutdown, Connecting to the Camera, Online Backup. With a large monitor, you can select to have the contacts display on the bottom and left or on the top and right. Avoid the temptation to use the card reader that came with the camera. Connect the camera to the computer with the supplied USB cable. With the camera connected, select "Help". Then "Camera". Then "Camera Setting". Then "HDMI". Then "HDMI Setting". Then "HDMI Setup". Click on "Test" to check the connection and make sure that the Display Mode is set to HDMI. Turn the camera off. Turn the camera on. The Menu Screen will appear. 3. Sometimes the contacts are displayed incorrectly. Connect the camera to a monitor with an HDMI input and select "Menu" from the camera's "Help". Now you can see the contacts on the monitor. If there is no display on the monitor, check to make sure that the HDMI cable is connected. (See "Connecting to the Camera" above). Display Mode. When you first start up the camera you will see the lower right monitor display settings screen shown in the image above. There are a few display modes available. In the menu try all of the settings until you find one that looks good. If you don't find a good display mode, you can manually set the display mode. Press the OK button. Then press the menu button. Press the OK button. A new menu screen will appear. Press the Menu button. Press the OK button. Press the menu button. A new menu screen will appear. Press the OK button. Press the menu button. Press the Menu button. Press the OK button. Press the menu button. Press the Menu button. Press the OK button. Press the menu button. Press the Menu button. Press the OK button. Press the menu button. Press the Menu button. Press the OK button. Press the menu button. Press the Menu button. Press the OK button. Press 82157476af
